Languages

- Ukrainian: Native
- English: Pre-intermediate

Summary

My name is Oleksii and I am excited to introduce myself as a Junior Front-end developer. I have strong knowledge of HTML, CSS, JavaScript and React which I have got through my practical experience as well as my education. I am a fast learner, responsible and always up for a challenge. Friendly team player with a good sense of humor.

Projects

1. <u>Search images</u> Link [HTML5, CSS3, JavaScript, React, REST API]
   Individual project for searching and displaying photos. Using external libraries, writing Javascript code, HTML, CSS.

2. <u>Phonebook</u> Link [HTML5, CSS3, JavaScript, React]
   Individual project. Website-phonebook for storing contacts. When adding and removing contacts, changes are saved in local storage.

3. <u>NEWS</u> Link [HTML5, CSS3, JavaScript, REST API]
   Team project. Role: developer (Rendering and calendar design). Website for viewing the breaking news or news for a certain date. Website with adaptive layout. Styling and adaptation for different gadgets.
